30.6.-2.7.2026 | PRAGUE

INVITATION TO PARTICIPATE

PRAGUE FOR THE FIRST TIME IN FATIPEC'S OVER 75-YEAR HISTORY!

Join your colleagues and partners at the **European Technical Coatings Congress** in the Capital of the Czech Republic. For the first time in the very long history of the congresses of FATIPEC.

For three days at **ETCC in Prague**, we will deal with everything related to research, formulations, production, applications, and testing of coatings and share our knowledge and experience. The event is organised by the **Czech chemical society** and **FATIPEC** and supported by Congress Partners and Sponsors.

The congress will be held under the auspices of Libor Capek, Rector of the University of Pardubice, and Petr Nemec, Dean of the Faculty of Chemical Technology.

PROGRAMME

The ETCC 2026 edition will be as social as possible for maximum interaction between participants and sponsor representatives.

The complete **Congress Programme** will consist of **3 days of Lectures** in several sections, a **Poster Section**, an **Exhibition**, a **Networking Reception** and a **SummerSchool** and **Awards**.

MAIN TOPICS

- Coatings for wood, corrosion protection and for construction
- Pigments, fillers, additives
- Adhesives, sealants, inks
- AI and digitalisation
- Sustainability and defossilisation
- Processing, production, application techniques
- Modelling, measuring, testing
- Safety, legislation and regulation

SPEAKERS AND POSTER PRESENTATIONS

The Congress Committees and Organisers warmly invite you to actively participate in ETCC 2026, a unique event dedicated to the exchange of insights, research, and expertise in Paints, Coatings and related Areas.

This professional event offers an unparalleled opportunity to connect with leading experts, industry pioneers, and researchers shaping the future of our field. We encourage you to submit your Abstracts for consideration as an Oral or Poster presentation, contributing to a dynamic and insightful programme.

Submission deadline: February 28, 2026. All submitted abstracts will pass a review process.

We look forward to your valuable contributions and to welcoming you at ETCC 2026!

VENUE

The ETCC 2026 will take place at the **Clarion Congress Hotel Prague**, a modern and fully equipped venue offering a perfect setting for an international scientific and industry event. Located in the heart of Prague, the hotel provides excellent accessibility and comfortable accommodation. The venue is well-connected to public transportation, allowing attendees to explore Prague's rich cultural heritage.

Venue: Clarion Congress Hotel Prague****
